The Government of India have decided that the conditions of service for all future entrants to the Army in India Reserve of Officers shall include a liability to be called to military service in the event of the Government of India considering that a state of emergency has arisen or is imminent.

Mysore lawlessness. — -do-

In a leading article, the Times of India says that it is one of the misfortunes of political life in the Indian States that the attitude of the people is most aggressive where there is least justification. The Mysore Administration is one of the most enlightened in India and even Mr. Gandhi has admitted it. The people are blessed with a progressive administration and with a Ruler who is universally loved. Yet there is periodical political unrest which betrays ~~xxxxxxxxx~~ a lack of appreciation of all that is being done for Mysoreans by the Maharaja and his advisors. Local Congressmen quarreled with the terms of reference to the Reforms Committee on the ground that there was no mention of "responsible

government", in spite of the fact that it has been explained that the omission of the term does not amount to its exclusion from the scope of inquiry. The worst aspect of last week's incidents is the open defiance of authority shown by the Working Committee of the local Congress. It will be interesting to know what the Congress leaders have to say about their over-zealous representatives in Mysore, who misread every well-meant act of the State administration and cause avoidable strife.

Indo-British Trade. — The Times of India. 19-4-1933.

Although the composition of the delegation representing the United Kingdom cotton industry which is arriving in India is not known, it is believed that it will include Sir William Clare-Lees.

Post boxes on buses. — The Bombay Chronicle. 19-4-1933.

As an experimental measure, letter boxes will be placed in the buses of the Bombay Electric Supply and Tramway Company. Letters posted in the buses will be cleared daily and handled by the General Post Office.

The Congress to fight elections. — The Statesman. 18-4-1933.

The Bihar Provincial Congress Committee has decided to contest the coming general elections to the district

boards in the Province.

| | | |
|---|---|---|
| Bihar's lead | The Amrita Bazar Patrika. 18-4-1938. | The Bihar Government have accepted the tri-colour flag to be the national flag of India and they have given permission to hoist it on public buildings in the province. |
| Mysore Flag satyagraha. | The Indian Express. 19-4-1938. | The Bangalore correspondent of the Indian Express writes that the Secretary of the Mysore Congress was not aware of any move in the Karnatak about sending 500 volunteers to offer satyagraha in Mysore. The Secretary expressed his gratitude for the sympathy shown by the Karnatak and added that the Mysore Congress was not anxious to requisition the help of outsiders. |
| Unfounded fears that the Mysore State administration may be resumed by the British Government. | The Tainadu. 19-4-1938. | The editor gathers from personal talks and letters received, that there is a deep anxiety among certain persons that the mass awakening in Mysore may affect His Highness the Maharaja adversely. It is further feared that the British Government, feeling that the Mysore Government is too weak to handle the situation, may resume control over the administration of the Mysore State. |

The editor points out that times have changed since the days of His

Highness Mummadi Krishnaraja Wodeyar and the Governor-Generalship of Lord William Bentick. The British Government declared, after quelling the Mutiny of 1857, that they would no more annex territories ruled by Indian Princes. The policy of the British Government towards Indian States has become more liberal since 1881. The British Government have not the courage to repeat to-day their policy towards Mysore in 1831. British intervention in the internal affairs of Mysore is possible only when a widespread and uncontrolled revolt takes place in Mysore. The Butler Committee has clarified the position regarding the limitations of British intervention in the internal affairs of Indian States.

The present agitation for responsible government under the aegis of His Highness the Maharaja prevails not only in Mysore but also in Travancore, Cochin, Baroda and, in a more or less modified form, in each of the 562 Indian States. Several Viceroys have recommended the grant of political reforms in Indian States. Lord Lothian, Earl Winterton, Sir M. Visvesvaraya, Mr. Gandhi and Congressmen - all these are for the grant of responsible government to the Indian States' people.

The agitation for responsible government in Mysore has the sanction of the Government in so far as there is a Committee appointed by the Government which is not precluded from recommending responsible government.

In view of all this, there is nothing to fear from the non-violent struggle going on in the State.

Congress meeting Mysore. — The Tainadu. 19-4-1938.

Addressing a mass meeting at Mysore on 18th April, Mr. Veerakesari Seetharama Sastri vehemently denied the rumours that the Mysore Congress intended to create a disturbance at Mysore at the time of the marriage of Prince Jaya Chamaraja Wodeyar on May 15, and expressed on behalf of the Congress the deep affection and loyalty which they cherished towards the Prince.

Patels in Channapatna taluk. — The Nava-jeevana. 19-4-1938.

It is reported that several Patels in Channapatna Taluk have applied to the Amildar for leave, on the ground that it is not possible for them to do the work of the Government peacefully, as long as Mr. V. Venkatappa is in prison.

Clove boycott in Bangalore. — -do-

A public meeting will be held at Bangalore on 24th April to concert measures for the boycott of Zanzibar cloves.

| | | |
|---|---|---|
| The situation in Mysore. | The Rashtrabhandhu. 18-4-1938. | Commenting on the situation in Mysore, the Rashtrabhandhu says that the Mysore Government have only themselves to blame for forcing the people to offer satyagraha, when it was not their intention to do so. Referring to the Flag question, the Editor says that it should be remembered that the Congress Flag is flying in seven provinces and is held in great regard all over India. "Model Mysore", concludes the Editor, appears to be teaching model lesson to the other Indian States. |
| Mr.L.S.Raju on the statement issued by Sir K.P. Puttanna Chetty and others. | The Vishwakarnataka. 19-4-1938. | Mr. L. S. Raju deplores the statement issued by Sir K. P. Puttanna Chetty and nine other public men of Bangalore City and says that a better way would have been to carry on counter-propaganda by touring in the districts and delivering speeches, if they believed that the Congress was leading the people astray. He adds that the day is not far off when India will federate and suggests that responsible government should be established in Mysore before it is forced from outside. |
| Mr.N.C.Thimma Reddy to meet Dr.Pattabhi Seetharamiah. | -do- | It is understood that Mr.N.C.Thimma Reddy proposes to meet Dr. Pattabhi Seetharamiah at Vasulipatam. |

His Highness is not apprised of the real state of affairs.

The Viswa-karnataka. 19-4-1938.

Addressing a public meeting at Bangalore on 18th April, Mr. N. C. Thimma Reddy paid a glowing tribute to the fine qualities of the Maharaja of Mysore and stated that His Highness had great love for Khaddar and the Charka. Alluding to the recent happenings in the State, he feared that His Highness was not kept informed of the real state of affairs.

Mysore Congressmen congratulated by the Karnataka Provincial Congress Committee.

The Samyukta Karnataka. 19-4-1938.

A resolution congratulating Messrs. Siddalingiah, H. V. Jois, K. T Bhashyam and other Congressmen on their arrest and conviction for upholding the honour of the Congress Flag was adopted at a meeting of the Karnataka Provincial Congress Committee held at Dharwar on 17th April under the presidentship of Mr. Gangadhara Rao Deshpande.

In continuation of this office No.C.C.47/37-38 dated 5-5-1938 forwarding a copy of my D.O.letter to Mr.Muninanjappa,Sub Division Officer,Closepet,regarding the attitude of the Patels in Chennapatna and consequent low percentage of collections, I have the honour to forward herewith a copy of the report dated 6th May 1938,received from the Amildar,Chennapatna-taluk,today. It will be seen therefrom that the source of these activities is Mr.Venkate Gowda of Thittamaranahalli and that the movements have been set up to induce all Patels to tender their leave applications and to influence the ryots to be persistent in not paying kandayam. The Sub Division Officer has been requested to pass final orders re. the Patels and to see the possibility of taking immediate action under Sec.107,Criminal Procedure Code.

Copies of the enclosures to the Amildar's report are also enclosed for favour of rererence.

D.O.No.16/37-38 dated 6-5-1938,from the Amildar Chennapatna Taluk,to the Deputy Commissioner,Bangalore District.

---

I beg to bring to your kind notice that the Revenue Collection of this Taluk during the month of April 1938,is very poor being 9.82%. This is due to the fact that the marginally noted* Patels of important villages have non-cooperated in collection work by tendering their leave applications stating that they have no peace of mind to work when their representative Mr.V.Venkatappa is in Jail and praying for leave till his release. The Patels and the villagers are mostly of one community and they are connected with Mr.Venkatappa either as relatives or having money transactions with Mr.Venkate Gowda,father of Mr.Venkatappa. Their applications were submitted to the Sub Division Officer, Closepet,who has ordered their suspension and the appointment of substitutes. No local person is forthcoming to accept the Patell office in spite of my persuasion in view of fear of old Patels and of bad situation. The Patels who have applied for leave have not only ceased to work but also actually engaged themselves in instigating people not to pay taxes. Information was also received that all sorts of rumours

19

are spread that the assessment will be reduced ,instalments will be increased and the payment of Kandayam will be suspended etc., amongst the ryots but no statements could be taken as informants are afraid of giving their statements to this effect. I have toured all over the taluk during the month. Malur and Kasaba hoblies have been very much affected by this movement. Whichever village I visited, invariably, I observed that either doors will have been shut or only females will be present in the houses. The male members will be absconding. In some cases, the ryots will say that he has no money and would pay the Government dues next month. I learn that the ryots are being trained on these lines.

During my tour, I was able to collect some amount with my influence and to credit to Khirdies with the help of Revenue Inspectors. The village officials also have hopes to bring the requnired percentage and to my utter disappointment, they came on the 30th April with the same explanation as noted above. I also understand that the other Patels who have not yet given their applications are also indirectly supporting the movement and not cooperating in collection work. I also learn that movements have been set up, to induce all Patels to tender their leave applications and to influence the ryots to be persistent in not paying Kandayam. On my confidential enquiry, I now learn that the source of these activities is Mr.Venkate Gowda of Thittarmarnahalli. To substantiate this, he himself has not paid his large assessment due to Government (vide statement enclosed). Secondly, the Patels who have given their applications are in one way or other connected with him. They are either his relations or debtors. Thirdly, the collections in these villages is thoroughly disappointing. A statement showing the D.C.B. of these villages is enclosed for kind perusal. Most of the Patels are influential and powerful in their villages. Law abiding ryots have also yielded to the village politics. I have taken the usual coercive measures for collection of the arrears outstanding.

The condition has become such that the Revenue Inspectors cannot deal with the ryots single-handed. I therefore beg to submit that a reference may kindly be made to the District Superintendent of Police to give police help, at least one daffedar and two constables

to each of the Revenue Inspectors during the months of May and June 1938.

I am watching the developments and will submit further reports.

In accordance with Mr.H.V.Ramaswami's demi-official letter No.4054/C.B.dated 1st June 1938 on the above subject, the Deputy Commissioner,Bangalore had been requested to take the necessary action. He has reported that out of the 12 Patels that were concerned in the agitation, the Sub Division Officer,Closepet has dismissed six barawardar Patels and forfeited their family hak. Among the other six persons, 3 were Gumastas and are reported to have been dismissed. In the case of 2 other Patels it is reported that no disciplinary action was necessary as one of them was not the Patel and his name had been wrongly included in the list,and the other was not engaged in any subversive activity. About the last man (Patel of Mudigere), he stated before the Sub Division Officer that he had not applied for leave in this connection but that he had done so in connection with the marriage of a relative of his and that he was not a Congress member etc.,. It is reported that the records have been returned to the Amildar for further enquiry and final orders.
